Human Resources
EastLink
2 Hillcrest Avenue
(PO Box) 804
Ringwood Victoria 3134

Candidate applications can be submitted via email in Microsoft Word or PDF format to recruitment@connecteast.com.au

ABOUT EASTLINK

ConnectEast is the owner and operator of EastLink, Melbourne's second fully-electronic tollway and, since its opening in June 2008, already one of the busiest roads in Victoria.

EastLink comprises about 39km of freeway-standard road and connects the Eastern Freeway in Melbourne's east to the Frankston Freeway in the south. EastLink also includes the Ringwood Bypass and Dandenong Bypass as untolled additions to the state road network.

EastLink was delivered by ConnectEast under the Victorian Government's Partnerships Victoria framework with a construction cost of Au\$2.5 billion.

The motorway saves drivers valuable time and provides the fast-growing eastern and southern regions of Melbourne with a more efficient and accessible transport network, as well as a 35km shared bicycle and walking path for local residents, wetlands and revegetation of open space areas and parkland.

Currently EastLink employs more than 180 people in a range of highly specialised operational and support roles across the organisation including:

- Asset and Road Management
- Information Technology
- Corporate Affairs
- Customer Service
- Finance
- Operations
- Legal
- Human Resources
- Marketing
- Risk, Safety and Internal Audit

With the lowest private tolls in Australia, EastLink is committed to providing Victorians in Melbourne's rapidly growing eastern and south-eastern suburbs with an affordable travel option, supported by high quality and friendly customer service.

OUR VALUES AND BEHAVIOURS

Custodianship – We protect and enhance our assets and the environments in which we operate, recognising the interests of our stakeholders.

- We manage and operate EastLink for the long term
- We work efficiently, but we don't take short cuts
- We care for our environment
- We involve ourselves as a responsible member of the surrounding community

One team – We encourage and share ideas across the organisation and with others. We turn what we learn into smarter ways of working.

- We work together, encourage each other and share knowledge and ideas
- We communicate openly, honestly and treat each other with respect
- We consider the whole of business when making decisions and avoid silo thinking
- We challenge ourselves and others around us

Safety – We look after each other and everyone on EastLink. Safety is at the forefront of all of our decision making.

- We take responsibility for our own safety and encourage others to do the same
- We implement the appropriate measures to do each job safely
- We proactively report unsafe working conditions, work practices or behaviours
- We provide motorists with a safe and positive experience that encourages them to use and recommend EastLink

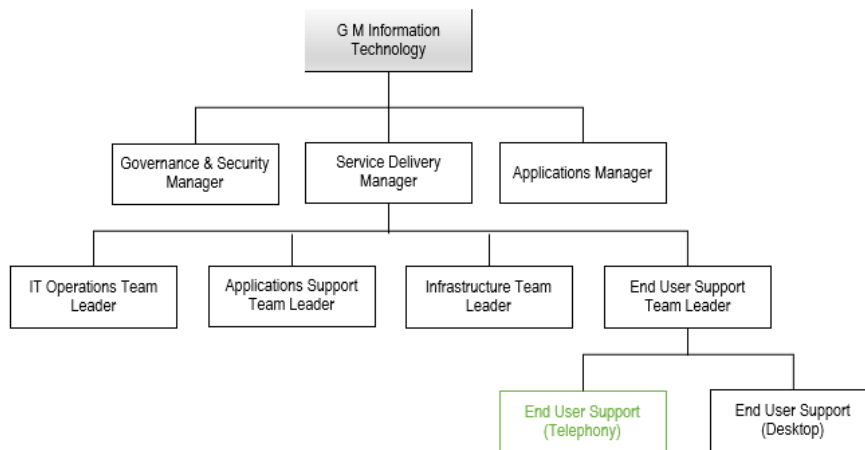

Accountability – We deliver on our commitments and take responsibility for our own actions.

- We accept responsibility for our decisions and actions
- We deliver on the commitments we make
- We conduct our business ethically and lawfully
- We consider and actively manage risk in all we do

ABOUT THE POSITION

THE DEPARTMENT

The End User Support (Telephony) works as part of the Service Delivery team incorporated within ConnectEast's Information and Technology department. The team is responsible for providing overall production support for ConnectEast's corporate application environments and for the support of all infrastructure within both corporate and tolling environments.

ROLE RESPONSIBILITIES

Key tasks of the End User Support (Telephony) role include but are not limited to:

- Liaise with vendors and business owners on application issues to ensure the best possible outcome to the business.
- Liaise with vendors and business owners on the installation of bug fixes, installation / testing of patches and version upgrades.
- Liaise with Managed Services provider and vendors to ensure all infrastructure is maintained at the required firmware / operating system to ensure full vendor support.
- Adhere to Change Management guidelines.
- Investigate problems to determine root cause and ensure required changes are implemented as required.
- Develop and maintain system documentation in accordance with agreed standards.
- Work with the business to determine specific requirements for enhancements to the desktop, applications, telephony system and/or sub systems.
- Assist in user account administration.
- Provide after hours production support as required.
- Participate in the planning, development, implementation and maintenance of appropriate Disaster Recovery and Business Continuity Plans for all critical systems.
- Ensure back up and emergency related processes and procedures are in place for the telephony environment to minimise the potential for error or data loss.
- Other duties as required.
- Understand and apply knowledge of the policies, procedures and work instructions provided by EastLink.

KEY SELECTION CRITERIA

In addition to the behavioural competencies outlined in this document the key selection criteria is as follows:

FORMAL EDUCATION

- Relevant tertiary qualifications in IT, or comparable industry relevant experience.

SKILLS / KNOWLEDGE / ABILITIES

- Proven track record in analysis, problem solving and recommending solutions.
- Expert working knowledge of Microsoft systems and applications.
- Previous experience with a call centre telephony system and understanding of associated KPIs.
- Experience in a fast paced, flexible environment.
- Experience in the installation and configuration of desktop computer systems and applications.
- Operations experience in a complex operating environment.
- Analytical and investigative skills.
- Proficiency with SQL is beneficial but not mandatory.

KEY COMPETENCIES

- Accepts personal responsibility for the quality and timeliness of work. Can be relied upon to achieve results with little need for supervision.
- Demonstrable creativity and lateral thinking skills.
- Ability to work under pressure and within defined timelines, as both a team member and independently.
- Uses data and information in a clear and rational thought process to assess and understand issues, evaluate options, form accurate conclusions and make decisions.
- Is thorough when performing work and conscientious about attending to detail.
- Complies with policies, procedures, workflows and instructions.
- Knowledge of ITIL (IT Infrastructure Library).
- Builds and maintains customer satisfaction with the services offered by the ICT team.
- Earns the trust, respect and confidence of team members and customers through consistent honesty, forthrightness and professionalism in all interactions.
- Knowledge and awareness of contemporary OH&S, EEO, anti-discrimination and harassment prohibition issues.
- Effectively organises multiple tasks / assignments, sometimes of a complex nature or involving competing priorities, to produce work that is accurate, thorough and on time.
- Expresses information to individuals or groups effectively, taking into account the audience and nature of the information; makes clear and convincing oral presentations; listens to others, attends to nonverbal cues and responds appropriately and effectively.
- Effectively conveys ideas and information in writing using language that is appropriate to both the complexity of the topic and the knowledge and understanding of the reader.
- Strong investigation and problem-solving skills.

INHERENT REQUIREMENTS

EastLink has identified the following inherent requirements that are essential for the effective and safe performance of this role.

PEOPLE

- Accessing, viewing and updating sensitive information which may relate to customers, employees and/or company intellectual property;
- Honest, trustworthy and high level of integrity;
- Interacting with colleagues and senior management from across the organisation;
- Interacting with suppliers and contractors providing a service to EastLink; and
- Working independently and also within a team.

WORK ENVIRONMENT

- Adjusting ergonomic equipment such as a computer and/or chair height which may be required due to sharing resources;
- Be eligible to hold a current security pass for EastLink workplaces;
- Working across multiple locations which requires travel between such locations;
- Working in a multi-storey building;
- Working in an open plan office;
- Working within an audited work environment, receiving regular performance related feedback; and
- Meeting reasonable occupational health and safety standards which are in direct compliance with relevant laws.

RESOURCE UTILISATION

- Using technology including photocopier, fax machine, etc;
- Using a telephone with handset or headset; and
- Using computer technology; including a large scale visual display unit, computer keyboard, mouse and/or scanner for extended periods of time.

PHYSICAL

- Ability to speak and be clearly understood on the telephone;
- Being seated at a desk for prolonged periods of time while operating technology;
- Concentrating for reasonably long periods of time;
- Extended reaching;
- Keyboarding tasks;
- Listening, retaining information and understanding what is said; and
- Undertaking tasks which are visually demanding or critical for long periods of time.

ELIGIBILITY TO APPLY

To be eligible for employment with EastLink, you must be an Australian citizen, an Australian permanent resident, a citizen of New Zealand who entered Australia on a current New Zealand passport or a non-Australian citizen holding a valid visa with work entitlements.

KEY SELECTION CRITERIA

Advertised vacancies often attract a number of very good quality candidates so it is in your best interest to prepare an application that will demonstrate to EastLink that you are able to satisfy the requirements of the role.

Before you begin your application it is important that you read this document carefully and decide whether your skills and abilities match the requirements of the position. If you require additional information to make this assessment it is recommended that you phone Human Resources for a confidential discussion.

You may also wish to research additional information which may be sourced from documents found on our Internet site – www.eastlink.com.au

The key selection criteria outlined in the advertisement and/or this document describes the essential areas against which EastLink will assess your employment application.

This is the most important part of your application as it is your opportunity to inform EastLink about your skills, abilities and experience. Under each key selection criterion you should outline your relevant skills and abilities and give relevant examples that demonstrate that you meet the requirement.

The information you provide against the key selection criteria will form the basis for short listing candidates for further consideration. It is important that you address each criterion thoroughly but succinctly and include only information that is relevant to the position.

SUBMITTING AN APPLICATION

Written applications are to be sent to the address nominated in the advertisement or this document. Your application must arrive before the advertised closing date to ensure consideration.

As outlined above, your application covering letter should contain statements addressing the selection criteria. In addition, a resume, which includes your personal particulars including day time contact details, employment history (list your most recent employment first), relevant qualifications and the names and contact details for at least three recent referees, including current manager or supervisor should also be provided.

Some things to remember:

- Be concise and organise your application
- Provide relevant examples when addressing the selection criteria
- Please don't include copies of qualifications or certificates (these can be obtained later)
- If forwarding your application by mail, please don't insert your application in folders, they are only discarded and disposed of prior to your application being considered

Please be advised that applications which do not include a covering letter addressing the selection criteria and a current resume will not be considered.

SELECTION ACTIVITIES

The selection process for this role consists of a number of important components all of which require success to be eligible for an appointment.

INITIAL SCREENING

The selection process begins with EastLink reviewing your resume and making an assessment of your skills, knowledge and abilities giving consideration to our education, experience and employment history and assessing their relevance to the requirements of the position. It is important, therefore, that your application addresses all aspects of the selection criteria as clearly as possible. Spelling and grammar are an important element to your application, so you should review your application carefully prior to sending.

TELEPHONE SCREENING

Human Resources may contact you by telephone to discuss your application and the position further. This is your opportunity to represent yourself, and to discuss why you have applied for the position. You will be able to talk about your expectations and find out more about the position and work environment.

INTERVIEW

Short listed candidates will be interviewed by a small selection panel at either EastLink's Ringwood Office. If you have any special requirements (eg. disabled parking, wheelchair access) please contact Human Resources so that appropriate arrangements can be made.

The selection panel will ask you a series of behaviour based interview questions related to the selection criteria. At the interview, the panel will be seeking to determine your relative strengths and weaknesses in relation to the position by asking you about specific examples or occasions when you have displayed the required competencies.

You will have the opportunity to ask questions, given the chance to demonstrate your interest in and understanding of the position and its duties. You should allow up to an hour and a half for an interview. It isn't necessary to bring anything with you to the interview.

Candidates short listed at this stage of the selection process may be required to attend a second round interview.

TECHNICAL SKILLS ASSESSMENT

Short listed candidates may be requested to complete technical competency assessment following the interview.

QUALIFICATIONS

If you list formal qualifications on your application, please note that you may be required to provide the original qualifications at any time during the selection process.

However, if you are the successful applicant, either on engagement, promotion or transfer, you will be required to provide the original qualifications prior to commencement in the position.

PRE-EMPLOYMENT CHECKS

EastLink is committed to providing a safe and healthy working environment for its employees, contractors and visitors. To achieve this, EastLink strives to ensure that employees are not required or permitted to undertake work for which they are not suited and to take appropriate measures to allow work to be done in a manner which will not put any person at risk to their health and safety.

To assist EastLink in achieving this objective, short listed candidates will be required to complete a pre-existing health declaration and must disclose any/all pre-existing injuries or diseases suffered, which, they reasonably believe could be accelerated, exacerbated, aggravated or caused to recur or deteriorate by them undertaking this role.

Short listed candidates may be required to undergo a vision assessment by an Optometrist and a hearing assessment by an Audiologist prior to commencing employment. The cost of this consultation will be met by EastLink.

REFEREES

In accordance with EastLink policy a minimum of three (3) professional referees are required. This should include, where practicable, the most recent manager / supervisor who can be contacted to discuss the employment application.

ELIGIBILITY FOR APPOINTMENT

Candidates who complete the selection process and meet all the selection criteria will be eligible for appointment with EastLink. Where there are more eligible candidates than available positions, offers of employment will be extended to those candidates whose attributes are most closely aligned with the organisation's requirements.

OTHER INFORMATION

POSITION STATUS

This position is offered on a Full Time basis.

REMUNERATION

The total remuneration, which includes superannuation, offered for this role will be negotiated with the employee.

COMMENCEMENT

The position is available for an immediate start.

PROOF OF ENTITLEMENT TO WORK

Upon commencement of employment with EastLink all new employees will be required to confirm their identity and present proof of entitlement to work in Australia. The following documents will be accepted:

- Australian birth certificate
- Australian citizenship certificate
- Certificate of evidence of citizenship
- Australian passport
- Valid visa with permission to work

PROBATION

All new employees of EastLink will be subject to a probationary period of three (3) months. Confirmation of continuing employment beyond the end of the probationary period will be provided before the expiry of the probationary period and will be contingent upon satisfactory performance, satisfactory behaviour and meeting any necessary security clearance or other specified employment pre-requisite requirements.

POLICE CHECK

Successful applicants shall be required to consent to, and satisfactorily complete, a criminal history check upon commencement of employment at no cost to the employee.

LOCATION

This role will be based at Ringwood and the incumbent may be required to travel or transfer between locations to the extent needed to effectively carry out the responsibilities of the role.

ON CALL

Due to the nature of ConnectEast's activities, this position may be required to respond to emergency calls outside normal business hours. These call outs may be due to urgent maintenance, safety or security related incidents, significantly affecting ConnectEast's operational capabilities.

IT ON CALL ROSTER

You accept that as part of your employment you may be required to be part of a rotating 'on call' roster to provide after-hours support in addition to your contracted hours.

Typically an 'on call' roster is notified well in advance for a period of 7 consecutive days and attracts a weekly allowance for the 'on call' period, and time in lieu on a 1:1 basis for working more than 4 additional hours in a 24 hour period.

Should you be required to participate in an 'on call' roster further details will be provided in writing or refer to ConnectEast's 'on call' policy.

TRAVEL

Travel expenses, as per EastLink policy will be reimbursed to employees requested to attend a location that is not their normal work location. The amount paid for motor vehicle expenses will be based on the Australian Taxation Office provided schedule and will be calculated on the additional distance they are required to travel over and above their normal travel between home and work.

WORK LIFE BALANCE

A number of initiatives have been introduced across the organisation which demonstrates our commitment to work life balance. These initiatives are underpinned by our values and behaviours and are embedded in policy and procedural arrangements and the *ConnectEast Customer Operations Employees Collective Agreement*.

EastLink is committed to conditions of employment that support employees to achieve a successful work life balance through diversity of choice with regards to work patterns and a range of leave arrangements to enact the *Time Better Spent* philosophy of a better balance of work, family and lifestyle commitments benefiting employees and the organisation.

Some of the arrangements that EastLink supports includes:

- Flexible Working Hours
- Part Time Work
- Job Share
- Internal Promotional Opportunities
- Time in Lieu
- 48/52 Leave

BENEFITS

EastLink also offer a range of benefits to enhance the employment experience of its people which include:

- Employee Tolls Reimbursement
- Fruit in the Workplace
- Health & Wellbeing Program including health assessments
- Employee Assistance Program
- Social Club
- Discount Employee Benefits
- Subsidised study fees

SMOKE FREE WORKPLACE

The health dangers associated with active smoking are well known. EastLink also recognises that passive smoking may be hazardous to health and that non-smokers should be protected from the involuntary inhalation of second hand tobacco smoke.

EastLink is a smoke free environment and smoking on EastLink work premises is not permitted.
